WELCOME

Thank you for selecting Tranzact Total Super to provide you with the peace of mind of knowing that your Fund is professionally administered. We value your choice and look forward to being of service to you now and into the future.

The number of documents attached may seem a little daunting however we hope that this summary will assist you to complete them more easily and correctly. Please remember that we won't necessarily understand your abbreviations so **full names and full street addresses** (not Box numbers) will be of great assistance. Also a little time spent now in supplying all the information we require will mean we won't have to annoy you later to chase things up. Remember that if you have any questions you can always e-mail us at contact@tranzacttotalsuper.com.au or phone us on 1800 644 804.

APPLICATION & AGREEMENT

This is the agreement between you and ourselves. It outlines our charges and mutual responsibilities.

DATA COLLECTION FORM

You will only have this extension after the signature page if you are starting a brand new Fund. The form allows you to establish a new deed and, if you wish, a new corporate trustee.

REGISTRATION AUTHORITY FOR ABN & TFN

You will only have this form if this is a New Fund. It is to ensure your fund is issued with an Australian Business Number and Tax File Number.

MACQUARIE CASH MANAGEMENT TRUST THIRD PARTY AUTHORITY

This restricted authority only allows us to collect the monthly fees and other expenses you have authorised. It also allows payments to the tax office as needed. Remember this form needs you to set up your Fund's cash account with Macquarie Bank. If you already have a Macquarie CMT then you only need to return the Third Party Authority to us. If not then the latest version of Macquarie's Product Disclosure Statement is available on line.

Only the application form should be completed and returned to us. Please do not complete the Third Party Authority included with the Macquarie PDS as the one we have included for you places more restrictions on us than the one in the PDS. We need you to complete only our version of the Third Party Authority and return it to us.

ADVISER AUTHORITY TO RELEASE INFORMATION

This document is to be signed by your adviser and is to assist us in collecting information from fund managers.

BUSINESS ACTIVITY STATEMENT AUTHORITY

This allows us to lodge your BAS returns within the limited timeframes provided by the Government and so avoid penalties.

COMPANY ADMINISTRATION NOTIFICATION

You will only have this form if you have a corporate trustee. It gives you the opportunity of passing the ongoing administration of the company to us. This will also make our office the registered address for the company so we can receive all the ASIC notices.

INVESTMENT MANAGER INSTRUCTIONS

This is a multi purpose document. It can

- * Change the financial adviser for a managed investment
- * Authorise investment houses to provide us with information
- * Change the postal address to ourselves
- * Cancel participation in income reinvestment plans
- * Direct all income to the fund's cash account
- * Provide the fund's tax file number to investment houses
- * Cancel or alter the forwarding of Annual Reports

TAX AGENT'S UPDATE OF CLIENT DETAILS – CU FORM

This enables the fund to be registered with our tax agent for tax and BAS lodgement.

NOTIFICATION OF APPROVED CONSOLIDATED REPORTING SERVICE

In order to receive our concessional pricing structure for consolidated reporting structures this form is required. It is not required if such a structure is not being used and can be completed later if such arrangements are made.

CHANGE OF ADMINISTRATOR NOTICE

This will only be included where we are taking over the fund administration from a previous administrator. It is to enable us to collect your records directly from the previous administrator and reduce any inconvenience to you.

NOTICE OF CONSENT TO ACT AS TRUSTEE

There is consent notice for each trustee or director. It is a legal requirement.

AUTHORITY TO RELEASE RBL INFORMATION

This authority is to enable us to gather your RBL information if necessary. There is one for each member.

TAX FILE NUMBER NOTIFICATION FORM

This allows Fund benefits to be paid to you without deduction of withholding tax. There is one for each member.

TRUSTEE DECLARATION

This form is provided by the ATO. It stresses the need for you to have adequate knowledge to own a self managed super fund and requires you to declare that you have that knowledge. It is required for every new trustee.

Once again welcome to Tranzact Total Super and we look forward to being of service to you.

Best Wishes

APPLICATION & AGREEMENT

The Agreement is between Total Super Pty Ltd (A.C.N. 080 841 336) trading as Tranzact Total Super ("TS")

and
(collectively, "Trustee")

with respect to
(" Fund Name")

TTS and the Trustee agree as follows:

Part 1 - TERM

This Agreement commences on the 1st day of the month of acceptance by TTS. This Agreement remains in force unless terminated by TTS or the Trustee in accordance with Part 6 below.

Part 2 - THE TRANZACT TOTAL SUPER SERVICE COMMITMENT

TTS are committed to exercising all reasonable care and skill in providing the required service. TTS and/or its nominee/s will perform the services and duties identified below.

2.1 ESTABLISHMENT OF A NEW FUND

The establishment of a new Fund includes the preparation of a Trust Deed (3 copies), Minutes of meetings, obtaining a Tax File Number and an Australian Business Number, filing an Application to register for "Pay as You Go" tax, filing a Regulated Fund Notification, establishing a fund accounting system, stamping of the Trust Deeds and GST registration if applicable. TTS will also set up a Trustee Company if required. The Company package includes copies of the Company's Constitution, all statutory documentation required under the Corporations Law and Certificate of Registration.

2.2 TAKEOVER OF EXISTING FUNDS

The takeover of an Existing Fund will involve the following process:

- a) TTS will review the last audited financial statements for the Fund along with other associated documentation. In the event that TTS discovers the fund fails to comply with the Superannuation Industry (Supervision) Act 1993 and Regulations, TTS will advise you, as TTS is unable to accept non-complying funds.
- b) Provided no compliance issues are found, or those found are rectified, TTS will confirm the transfer of the Fund to the TTS compliance bureau and administration service. Please note that acceptance of the Fund does not warrant that the Fund is complying. The speed with which the fund is completely established on the TTS systems will depend on the quality and completeness of the information provided.

2.3 TRANZACT TOTAL SUPER SERVICES

TTS offers two versions of its service:

1. 24/7 - this service involves ongoing information processing during the year with the results posted to the web. It is most suitable for Funds that do not have Wrap investments and where the adviser/trustee is prepared to provide a constant flow of information to TTS. Part 3 -COMMITMENT OF THE TRUSTEE

The Fund is in the Trustees' name and under the control of the Trustee. TTS has no authority to deal with Fund assets and therefore TTS needs the cooperation of the Trustee so that it can provide the Trustee with the benefits of TTS's services.

Accordingly the Trustee acknowledges and agrees that the Trustee will:

- a) ensure that any activity of the Fund is in compliance with the applicable Trust Deed and the laws then applicable. If in doubt the Trustee should refer the matter in writing to TTS for comment prior to implementation;
- b) open and maintain a Macquarie Cash Management account as the Fund's "Cash Account" or some other cash account as approved by TS. The Cash Account must only be used for transactions relating to the Fund and will not be used for personal banking purposes;
- c) deposit or retain sufficient funds in the Cash Account to pay outgoings including the fees which are debited on a monthly basis;
- d) assist TTS by signing any redemption request, share transfer and/or other documents necessary to maintain the Fund's compliance and attend to any matters required within a reasonable time and without any unnecessary delay;
- e) ensure that each investment pays any income or redemptions relating to that investment to the Cash Account;
- f) advise TTS if funds are removed from the Cash Account or deposited into the Cash Account for any reason;
- g) ensure that TTS is provided with the Fund's current written Investment Strategy and ensure that the Fund's investments are made in accordance with that strategy;
- h) ensure that all investments are made in the Trustee's name but care of TTS's postal address (GPO Box 849, Brisbane QLD 4001) for all correspondence unless otherwise agreed in writing by TTS;
- i) authorise TTS to deduct and pay from the Cash Account fees as agreed including Adviser fees if so authorised;
- j) authorise TTS to deduct payments for miscellaneous expenses relating to the Fund. This will generally include consulting work and Trust Deed variation costs as separately agreed, Audit, Actuarial fees, Pension Establishment, bank dishonour fees and stamp duty charges;
- k) indemnify TTS against all claims made against TTS or suffered by TTS as a direct or indirect result of the Trustee failing to comply, or failing to comply in sufficient time, with any of the Trustee's responsibilities pursuant to this Part 3. The Trustee acknowledges and confirms that, for the purposes of this Agreement, any reference to the obligations of the Trustee includes the obligations of the member.

Part 4 - DAY TO DAY MATTERS

TTS and the Trustee agree that, unless notified in writing to the contrary, communication between TTS shall be conducted via the adviser as notified to TTS from time to time. TTS and the Trustee agree that, within the terms of this agreement, the adviser role is one of facilitation and does not authorise the adviser to instruct TTS on behalf of the Trustee. For the purposes of this agreement Adviser means the Trustee's Financial Planner, Investment Adviser, Accountant, or other nominated person. If TTS is authorised to contact the Trustee direct the contact details are:

Name:		Postal:	
E-mail:			
Phone:			

Part 5 - VARIATION OF CONDITIONS

If at any time TTS determines that there needs to be a change either to the fee structure or any other term or condition of this Agreement, TTS can vary them after providing thirty (30) days notice in writing ("Notice of Variation"). The Trustee has the right to reject the Notice of Variation in which case this Agreement will terminate from the date on which the fees or conditions would have altered.

Part 6 - TERMINATION

This Agreement may be terminated by either party giving the other 30 days notice in writing or by the rejection of a Notice of Variation in accordance with the provisions of Part 5. TTS may terminate this Agreement immediately if the Trustee has failed to pay any fees or otherwise breaches its duties under and in accordance with the provisions of this Agreement. Provided that all fees have been paid to the date of termination TTS will make the file available for collection within 30 days after termination of this Agreement unless it has been mutually agreed that additional work is to be completed first. It is the Trustee's responsibility to ensure that all of the individual investment managers and other parties to the Fund are advised of the Fund's change of address. Where the Trustee is an individual, in the event of the Trustee's death, this Agreement will continue to be enforceable against the Trustee's estate until the Trustee's legal personal representative terminates this Agreement in accordance with Part 6. The Trustee will be provided with a Fund report ("Report") as at the end of the last full month of the term of this Agreement. The Trustee is not entitled to any other report, including any reports required by the authorities in relation to superannuation funds, unless at all times during the preparation of the Report (which may take up to or exceed 90 days after the end of the date of the Report for all necessary information to be obtained) the Trustee remains a client of TTS, has paid all its fees and performed all its obligations under and in accordance with the provisions of this Agreement and the Agreement remains in full force and effect. Hard copy information will be provided to the new fund administrator sufficient to enable the takeover of the fund but electronic files will not be made available. In the event that the termination includes a wind up of the fund then the fees nominated in Part 8 will apply.

Part 7 - LIMITATION OF LIABILITY

Notwithstanding any other provision of this Agreement, TTS will not be responsible or liable for any claims that arise, whether directly or indirectly as a result or consequence of:

- a) a Trustee breaching the provisions of the Trust Deed or any applicable laws which result in the Fund being deemed non compliant with the Superannuation Laws;
- b) the Trustee failing to comply, or failing to comply in sufficient time, with any of the Trustee's responsibilities pursuant to the provisions of this Agreement;
- c) any act, omission, deceit, neglect, mistake or default of any person except to the extent that any such loss is attributable to the wilful negligence, wilful deceit or wilful default of TTS;
- d) the use by the Trustees of a Trust Deed which is deficient and
- e) any particular investment or investment performance or rate of return.

Part 8 - FEES AND CHARGES

GST is included in all cases but the Fund is entitled to a 75% refund of most GST if the Fund is registered for GST.

8.1 INITIAL FEES (once only) - (All fees include GST)

Establishment Fee (mandatory) \$465
Deed Upgrade (optional) \$570 Please Indicate if Required

NOTE: All the above fees must accompany this application either by way of a cheque or by credit card authority.

Payment Method	Cheque	Master Card	Visa Card
Fund Name:	<input type="text"/>		
Card Holder Name:	<input type="text"/>		
Credit Card No:	<input type="text"/>	Expiry Date:	<input type="text"/>
Signature:	<input type="text"/>		

NB: A payment other than from the Fund will be regarded as a non-concessional contribution to the member with the largest account balance.

8.1.1 ADDITIONAL FEES FOR EXISTING FUNDS ONLY

The cost of bringing existing funds onto the system is not covered by the Establishment Fee as it involves significant retrospective work. This cost is justifiable only if the fund remains on the system for at least 4 years so, for existing funds only, there is a deferred establishment fee of \$990 if the fund leaves the system in less than 4 years. This fee is NOT prorated but is payable in full if the fund leaves the system at any time under 4 full years of billed administration services. This fee DOES NOT apply to funds that have commenced with the TTS service in their first financial year of operation or are wound up.

8.2 ONGOING FEES (All fees include GST)

Compliance & Administration Service

The fee is a set minimum monthly amount determined by the number of investments held by the fund at the beginning of the month. An investment is defined as any asset with other than a zero balance. The value of the fund is irrelevant. The minimum monthly fee will vary upwards or downwards as the number of investments in the fund changes. Where the cash account is not a Macquarie CMT the fund cash account will be counted as 2 for billing purposes. Where multiple investments are retained on a consolidated platform capable of providing usable tax, dividend and transaction data without the need for TTS to input individual investment details then the platform will be counted as 2 for billing purposes. Where such arrangements are utilised fund records will not be updated on a daily basis.

In order to qualify for this concessional pricing a separate "Notification of Consolidated Reporting Account" form MUST be completed

The ongoing fee is calculated each month in advance as \$132 plus \$7.50 per investment (counted at the end of the previous month) unless there are unusual fund features which require extra work. Fees are the same irrespective of the service choice selected below. The only difference being that an estimated monthly fee is charged for the yearly service and adjusted after the records have been processed.

Please nominate your service choice 24/7 OR Yearly

NB: Where no adviser is nominated for this account such that trustee queries will be directed to TS then the Compliance and Administration fees above will be increased to \$145 plus \$8.50 per investment.

Lump sum payment documentation (when a payment is taken as a withdrawal rather than a pension) will incur a fee of \$110 if the member is over age 60 or \$195 if under age 60 when the withdrawal occurs.

There are no extra fees for BAS (see # below), pension administration (excluding set up) or reasonable queries. An additional charge may be levied where the fund requires an unusually high level of attention. Please note that the monthly fee is in payment of the compliance and administration duties actually performed within that month. It is not payment in advance for requirements yet to fall due. In the event this agreement is terminated work will continue only in accordance with Part 6.

Most administrators do not complete annual BAS without charging extra fees. BAS registration entitles the fund to a 75% refund of certain GSTs paid. To calculate the minimum benefit to which you are entitled add ongoing TTS and adviser fees together and multiply by .068. For example TTS fees of \$1,800 and adviser fees of \$3,000 (total=\$4,800) will result in a refund of \$326 thus the net administration fee is \$1,800 - \$326 = \$1,474.

Please note that

all ongoing fees will be deducted from the Fund's cash account
all fees will be indexed by the greater of 5% or CPI in July of each year

8.3 RETROSPECTIVE ADMINISTRATION FEES (All fees include GST)

To bring Existing Fund Records Up To Date for the current financial year the charges are as per 8.2 above and are levied for each month work is required. The fees will be debited as soon as practicable after the commencement of the administration process and may be the minimum fee for a single investment fund of \$153.50 per month until such time as the records have been sufficiently completed to enable the fees to be calculated correctly based on the number of investments each month.

8.4 ADDITIONAL FEES (All fees include GST and are regularly updated on the TTS website at www.tranzacttotalsuper.com.au)

These fees are generally paid by way of deduction from the Fund's cash account as incurred.

Audit Fee – (Minimum of \$440) The Audit fee may increase depending on the size and difficulty of the Fund.

Actuarial Fees - Actuarial Fees will be incurred if applicable.

Corporate Trustee Maintenance - If the Fund has a trustee company for which TTS is acting as the Registered Office a maintenance fee of \$315 including GST will be charged in addition to the yearly ASIC fee (currently \$40).

ATO Levy - The annual ATO Levy is \$150 for 2007/2008 and will be required when the fund financials are lodged with the ATO. Pension Establishment - A fee will be charged to establish a new pension or to rectify an existing pension that has not been properly established previously. The current fee schedule is on the TTS website at www.tranzacttotalsuper.com.au.

Wind Up of the Fund - A minimum fee of \$625 will apply where the fund is to be wound up in addition to the cost of Audit, Actuarial services, ATO levy, ASIC lodgement fee and deferred establishment fee as applicable.

Change of Administrator - \$230 unless end of year accounting is required prior to transfer then an additional minimum fee of \$1,040 will apply. File Transport, Audit, Actuaries, ATO levy, ASIC lodgement and deferred establishment fees will be additional as applicable.

Extra Work - If a member or the Trustee enters into a transaction or performs a task that may cause a breach of the Superannuation Industry (Supervision) Act 1993 ('the SIS Act') then the Fund may incur additional fees for remedial action. Any work outside the scope of this agreement such as an ATO audit on the Fund will be similarly charged.

8.5 ADVISER FEES (Can ONLY be collected if a Macquarie CMT is the Fund's cash account)

Only Adviser Fees that are to be collected by TTS are to be indicated below. Note that all fees will be levied on a monthly basis.

Self managed super funds – key messages for trustees

Read this fact sheet in conjunction with the *Trustee declaration* (NAT 71089). Keep a copy of this fact sheet with you and refer to it when making important decisions on behalf of your fund.

From 1 July 2007, if you are a new trustee (or director of a corporate trustee) of a self managed super fund (SMSF), you must complete a *Trustee declaration* (NAT 71089).

The trustee declaration is not the same as your fund's trust deed. It is a separate document you must complete and sign to show you understand your duties and responsibilities under the super laws.

YOU'RE RESPONSIBLE FOR MANAGING THE FUND

Becoming a trustee of a SMSF is an important decision that carries certain duties and responsibilities. That is, you must manage the fund for the benefit of members into their retirement. You must also ensure the SMSF assets are held in trust and invested on behalf of the members.

You are responsible for ensuring your fund is properly managed and complies with all governing rules (including the trust deed and super laws). These rules apply to you in your capacity as a trustee of the fund. You will also need to make important decisions that may affect the retirement savings of the fund's members.

All trustees are equally responsible for managing the fund and making sure it complies with the law. This is the case even if one trustee is more actively involved in the day-to-day running of the fund than the others, or you use a professional to do certain tasks on your behalf (for example, an accountant, lawyer, investment advisor, super fund administrator or tax agent). All trustees are responsible and accountable for running the fund and making decisions.

If you use a professional to help you manage your fund, it's important you get good advice and choose one that's right for you and your circumstances. It's essential to make sure any financial, investment and legal advice you receive comes from a qualified professional. Good advice is important as your decisions will have an impact on the retirement income of the fund's members, including you.

You must manage the fund separate to your own affairs. This means you must keep the fund's assets, including money, separate from your personal and business assets and ensure they are used solely for fund purposes.

You must not allow money to be withdrawn from the fund earlier than is legally permitted as it is meant for retirement. You must preserve members' benefits in the fund until they retire or reach their preservation age (currently not before age 55, and then rising to age 60 for those born after 30 June 1964). Early access is only allowed in very limited circumstances, for example, in cases of severe financial hardship, on tightly restricted compassionate grounds, or in the event of permanent incapacity.

YOU MUST UNDERSTAND YOUR DUTIES AND RESPONSIBILITIES

Your trustee duties and responsibilities include:

- making sure the purpose of the fund is to pay retirement benefits to members
- organising an investment strategy and making investment decisions
- accepting contributions and paying benefits (pension and lumps sums) in accordance with the rules
- ensuring an approved auditor is appointed for each income year, and
- undertaking administrative tasks such as lodging annual returns and record-keeping.

You must also ensure the fund's trust deed and investment strategy are regularly reviewed and updated in accordance with the law and the needs of the members.

ⓘ To avoid penalties, make sure you understand and comply with your duties and responsibilities under the super laws.

Investment restrictions

I understand that, as a trustee or director of the corporate trustee of the fund, subject to certain limited exceptions specified in the law, I am prohibited from the following:
